Special attention

28. Beginning 4 June 2025, all official communications for the Protocol registration office, including credentials/lists of delegations and Conference-related materials, should be sent to the Protocol Registration Office at the registration centre in Nice by email to protocolconference@un.org.

29. There is no need to email the letters of credentials/delegation lists to unprotocol@un.org as they have already been uploaded in the online registration forms of the delegation. 30. **Host Country mandatory security requirement:** In addition to registration with the United Nations, participants are also required to provide additional information to the host country by filling out the form at this link <https://www.unoc-registration.fr>.

31. **VISA/Entry requirements:** It is the responsibility of the participants to check whether they need a visa to enter France. Registering for the 2025 UN Ocean Conference does not exempt participants from obtaining an entry visa to French national territory. Kindly note that visas cannot be issued on arrival.

To inquire about the need for a visa, as well as all visa related matters/requirements, participants are invited to visit a French consular service or the France Visas portal at <https://france-visas.gouv.fr/>. Participants in need of a visa are advised to submit their applications well in advance before departure from the country of origin. **The minimum visa processing time is 3 weeks**. Late submission may make it impossible to process the application in time. The status of conference guest or participant also does not exempt participants from completing the visa application form and providing the supporting documents required by regulations.

Please note that this “email approval” issued by the United Nations may be used as one of the supporting documents for visa application but it does not guarantee entrance to France. Visa approval is subject to further review and process by the French authorities. The visa is free for participants registered by the United Nations for the conference from 9 to 13 June 2025, however, fees may apply for the intervention of authorized local operators to support the logistical management of the submission of applications.

Information of the Conference

31. Detailed information on the 2025 UN Ocean Conference is available on the United Nations official Conference website at <https://sdgs.un.org/conferences/ocean2025/about-unoc-2025>, and in the Note for Participants by the Secretariat to be issued shortly.

The Protocol and Liaison Service of the Department for General Assembly and Management of the United Nations avails itself of this opportunity to renew to the Permanent Missions and Observer Offices to the United Nations and to the Liaison Offices of the Specialized Agencies and related organizations accredited to the United Nations the assurances of its highest consideration.
